## IPA and Ghana Ministry of Education Present Workshop at CIES 2019

On April 14, Cynthia Bosumtwi-Sam, Acting Executive Secretary of the Ghana Ministry of Education's National Inspectorate Board, [Bridget Konadu Gyamfi](#), Senior Policy Manager at IPA Ghana, [Bethany Park](#), Senior Policy Manager at IPA, and [Sharon Wolf](#), Assistant Professor at the University of Pennsylvania, led a pre-conference workshop at the Comparative & International Education Society (CIES) annual conference in San Francisco. The workshop, titled "Co-creating evidence in education: Fostering cooperation between educators, researchers, and policymakers to create rigorous education research", provided participants with theoretical frameworks and practical tools for creating rigorous, policy-relevant education research.

The workshop was followed by a [series of panels](#) from April 15-18.
