## IPA's Work Featured at RISE Conference

On June 19 and 20, the [Research on Improving Systems of Education \(RISE\)](#) program convened high-profile academics and policymakers to answer the question: "How can education systems be reformed to deliver better learning for all?" The conference featured presentations by researchers on three IPA-implemented projects: [Andrew Zeitlin](#) presented preliminary results from the [Rwanda teacher pay-for-performance study](#); [Torsten Figueiredo Walter](#) presented findings from the [Zambia teacher allocation study](#), and [Syeda Farwa Fatima](#) presented results from the [Ghana Fast-Track Transformational Teacher Training \(FTTT\)](#) study. More information about the RISE conference, including the full schedule of events, is available on the [conference website](#).
