IPA Peru Country Director Presents at the International Seminar on Educational Research in Colombia

On November 8, IPA Peru Country Director Juan Manuel Hernandez-Agramonte presented at the International Seminar on Educational Research at Instituto Colombiano para el Fomento de la Educación Superior (ICFES). With support from ICFES, IPA Colombia invited Juan to Bogotá to present on his experience of working with MineduLAB to run randomized evaluations in Perú and create institutional capacity within Peru's Ministry of Education to promote decision-making based on rigorous evidence. ICFES also hosted other speakers from several local and international universities and organizations for an audience of teachers, school administrators, policymakers, and private sector foundations.
