Vox's Best Charities of 2020 Recommends IPA for Effective Giving

Vox's annual guide to charity giving is out. Dylan Matthews walks through how to make the most of your giving dollars, including donating to meta-charities like IPA, who help find the most effective causes. The piece quotes software developer Jeff Kaufman who says: "If they can turn a dollar of donations into substantially more than a dollar of increased donations to effective charities, isn't that the best use of my money?"
