IPA Myanmar Participated in Workshop to Design Impact Evaluation of Myanmar's National Community Driven Development Project

IPA Myanmar participated in the workshop to design the impact evaluation of Myanmar's National Community Driven Development Project. The event brought together officials from the Department of Rural Development and the Myanmar Development Institute along with representatives from the International Growth Centre (IGC), the World Bank, DFID, and IPA Myanmar and Philippines. A team of IPA-affiliated PIs, Erica Field, Robin Burgess, and Rocco Macchiavello, were also in attendance. The objective of the meeting was to define a feasible ex-post methodological approach to conduct an impact evaluation of the National Community-Driven Development Program.
