IPA Zambia Presents at 10th ICT4D Conference in Lusaka

From May 8-May 10, 2018, IPA Zambia Country Director, Carlos Acero, presented at the 10th Conference of Information and Communication Technologies for Development (ICT4D) in Lusaka. Carlos presented on the potential benefits of digital wage payments for women and employers. The event was attended by leaders and researchers from a range of organizations, including Kiva, Mercy Corps, Plan International, Save the Children, the International Rescue Committee (IRC), and the Consultative Group to Assist the Poor (CGAP).
