IPA Presents at Impact Evaluation Training & Matchmaking Workshop in Ghana

Development Impact West Africa (DIWA), a partnership between the Center for Effective Global Action (CEGA) and the Center for Learning on Evaluation and Results (CLEAR) at the Ghana Institute of Management and Public Administration (GIMPA), organized an impact evaluation training and matchmaking workshop in Accra, Ghana. This three-day workshop convened U.S. and Ghanaian academics and Ghanaian policymakers to seek three-way research collaborations on priority questions. IPA facilitated two sessions during this event on "Implementing an Impact Evaluation in the Field" and "How to Collect High-Quality Data."
