ADDENDUM No. 1

To All Bidders,

**RE: Clarifications on Request for EOI for Data Collection Services Covering Women Entrepreneurs' Access to Finance in Pakistan (IPA/EOI/FIP/005/2024)**

**1. Clarifications**

We have received request for clarification in reference to the above-mentioned RFQ. Below, you will find the responses to the questions that were raised.

#	Questions	Responses
1.	Could you please provide guidance on forming a consortium and the specific criteria for consortium applications? We are eager to contribute effectively to the project's objectives.	We are happy for a consortium to apply. There are no set criteria to develop a consortium as this rests with the responsible parties. However, IPA will contract with only one organization. As a result, the terms and conditions of the agreement between the consortium parties should be settled through mutual consent and without IPAs involvement

**2. Extension for Submission of Bids**

To ensure prospective bidders have adequate time to prepare their proposals, IPA is extending the proposal submission deadline. All bids must now be received by IPA no later than **Tuesday, April 2, 2024, at 11 PM EDT**.

**3. All other instructions, terms and conditions of the original RFQ remain unchanged.**

Thank you for your attention.
