SOCIAL COHESION

PERSONAL AGENCY
individuals' ability and freedom to make a positive change.

POLARIZATION
relationships across dividing lines.

INSTITUTIONAL LEGITIMACY
relationships between individuals and those who govern them.
Overarching goal

Social cohesion and reconciliation across dividing lines.

We invested in:

1) young people’s skills to combat hate speech and to generate positive content.

2) opportunities for collaboration.
INVEST IN PERSONAL AGENCY  
enhancing digital literacy, responsible media consumption and conflict-sensitive use of online tools among young people.

INVEST IN HORIZONTAL COHESION  
co-creating ways in which people from different backgrounds can use digital tools to combat misinformation, hate speech and share common online spaces.

INVEST VERTICAL COHESION, OR INSTITUTIONAL LEGITIMACY  
fostering citizen-government exchanges.
